## THE "LESLIE BILL"

### MINORS AND ALCOHOLIC BEVERAGES

The Public Utilities Commission of the State of California requires chauffeurs to read the following to all minor passengers:

The consumption of alcoholic beverages by minors is unlawful. No alcoholic beverages may be transported in this vehicle. During the course of this ride, if any minor is found to be intoxicated, or has been consuming alcohol or any illegal substance, the run will be terminated immediately and any confiscated alcohol will be turned over to school officials. The whole group/party will be left at the next stopping point or brought back to the point of origination (to be decided at the sole discretion of the driver) with **absolutely no refunds of any monies. We also reserve the right to check ANY bags brought in to the vehicle, with or without your presence!**

Each passenger under 21 years of age, must sign this agreement or he/she will not be permitted to ride in this vehicle.

Upon signing this agreement, I understand it fully and will abide by its rules and its consequences.
